Volunteer Programs

The PTA coordinates the Volunteer Program at all three Windham schools. Over the last 5 years, PTA volunteers have made it possible for the schools to win the prestigious Blue Ribbon award for contributing more than 10,000 hours per year at each school. Volunteers run the popular Ice Cream Socials, Book Fairs, Teacher Appreciation Weeks, Conference Dinners, Guest Speaker Series, Safety Phone, Computer Labs, Welcome Desk, Cash for Kids, Campbell's Labels and Box Tops for Education.

Safety Phone...

To ensure your child's safety whether at home or at school.

Educational Programs

The PTA provides curriculum enhancement through guest speakers, equipment purchases and scholarships. YOUR membership contribution has made it possible for Windham students to enjoy presentations on volcanoes and earthquakes, Chariots of the Sun, the Holocaust, Mr. & Mrs. Fish, Mr. Magnet, Eyes on Owls, Teacher in Space, Electricity and Magnetism. The PTA organizes the Scholastic Book Fairs in the fall & spring. Proceeds from these fairs help build the schools library collections and help provide educational materials for our teachers.

Opportunities for Support

You can support the PTA by volunteering and/or by making your *tax-deductible* donation today! Please make your check payable to "Windham PTA". Return the attached form with your check to any of the schools or mail directly to our PO Box.

What the teachers say...

"I just want to share our appreciation for the total renovation of our teachers' room. New cabinets, new window treatments, new tables and chairs, new paint....too much to list! It is absolutely fabulous. We were also treated to a bountiful breakfast in the morning and were able to sit and enjoy some time in our "new room". We truly do feel appreciated! Thank you to all,
—Middle School Teacher

Thank you all so much!!! You continue to go above and beyond and make us feel special.
—Golden Brook School Teacher

Center School staff would like to thank you for making teacher appreciation week so wonderful. Each day offered something "extra special" and you were so creative. Please know how grateful we are.
—Center School Teacher

What the Volunteers say.....

I joined the PTA to get involved in my children's school, but more so to help support the teachers. They give so much to our kids everyday, that anything we can do to show our appreciation and make their jobs a little easier is a plus. Everyday, all over the country, teachers are taking the time to learn more, share ideas and bring excitement and fresh ideas to their classrooms. PTA is not just for parents and teachers - ultimately it's for our kids.
